### Request for Adult Baptism

Gibson Memorial United Church is pleased to offer the sacrament of baptism as part of our life together as a community of faith. In the church, we celebrate our gratitude for this new life, the single rite of initiation into the Christian community, the church. A sacrament is a holy act, a ritual of our faith. It says that God’s love surrounds us from the moment we’re born and continues through the course of our lives.

Baptism takes place during a regular Sunday service. During baptism, the congregation also promises to support the parents and children, or adult candidates, in their Christian education and life as Christians.

Please take a few moments to fill this sheet in for our records and to help prepare for this event. Return it to us as soon as possible.
